## Front End Web Developer | IT Support

✉ adioayomide0217@gmail.com ☎ 07033257316

📍 Lagos, Nigeria. 🌐 [linkedin.com/in/ayomide-adio](https://www.linkedin.com/in/ayomide-adio)

### Objective

---

Motivated and detail-oriented Computer Science graduate with skills in frontend web development, CMS management, and IT support. Experienced in building responsive websites using modern web technologies and managing digital platforms. Passionate about technology, problem-solving, and providing technical support solutions. Seeking an opportunity to contribute technical and creative skills as an entry-level tech professional.

### Professional Experience

---

- |                                                                                                                                                                                                                                                                                                                                                                             |                                                |
